INTRODUCTION

I'm a 22 year old Web Developer from Lisbon, Portugal I love everything that has to do with technology. I have 2 years of experience working as a Web Developer and working on various projects, but I'm ready for visiting other countries & work for any company! I love working with people, specially if they have the same passion I have for what they do. I'm an ambitious, punctual, hardworking, and a innovative person that fits well into every environment and culture.
